Art Unit: 1714

Claims 11 and 12 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Each of these claims recites "forming ... in the order named;". It is not clear to the examiner what order is being referred to. Appropriate clarification is required.

Claims 8-10 are allowed.
